GOMPERS CHARGES ATTEMPT BY SOCIALIST PARTY TO RULE

SAN FRANCISCO, Cal., Nov. 22.-

The American Federation of Labor after an extensive battle that shook It referred the whole question the convention for four hours, refused state and federal legislation for the eight hour day, President Samuel Compers ended the debate in ha impassioned speech in which he detares that the socialist party was behind the movement to force the adopted revolution but no position Pederation to endorse the proposed was taken on naval increases othwight hour day legislation.

The convention adjourned in a tiff olution favorable cognizance, between President Compers and delegate John Fitzpatrick of Chicago. Delegates of the United Workers of America and the Western Federation of Miners, the Interational Association of Machinists, the most powerful organizations affiliated with the Federation, precipitated the fight when an ad ministration measure withholding sanction of legislative attempts to scure the eight hour day was of fered to the convention for adoption by the resolutions committee. committee favored the use of ecc comic pressure only to obtain short
